

A woman with brown hair and glasses, wearing a tan jacket, is looking down at a smartphone in her hands. She is standing in a school hallway with green lockers in the background. The image is used as a background for the top half of the poster.

52%

of people do not password-protect their mobile devices. Personal data could be easily accessed by anyone if a phone is lost or stolen.

Remember, if you connect it, protect it.

#BeCyberSmart during Cybersecurity Awareness Month.
